yearbook 2018

Throughout this year of growth, M. E. LaZerte has been with each and every one of us, pushing us to be our best and strive for our goals. This yearbook is a memory of our fantastic school year, showing what we accomplished together whether that be in the classroom, through the arts, through clubs, or through showing school spirit in athletics. With all hope, you can look back at this years from now and reminisce on the amazing memories you created while being surrounded by the staff and students at M. E. LaZerte High School!

Take time occasionally to thank the influential people you met at this school as they continue your journey with you. Remember, once a Voyager always a Voyager.

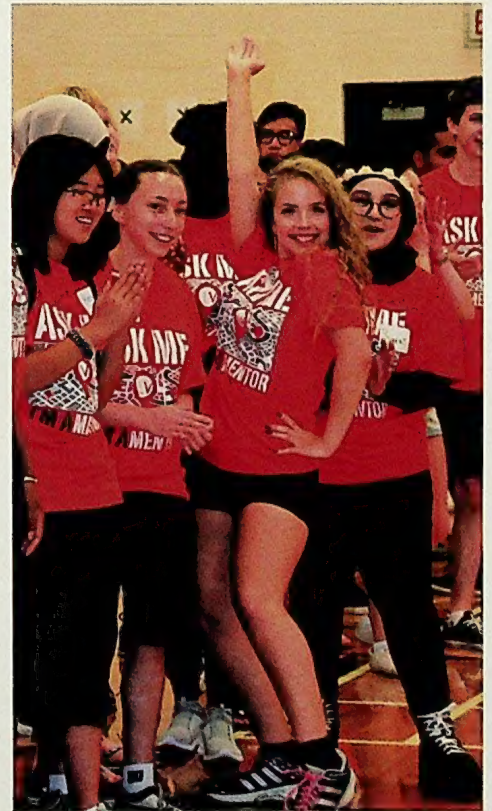

Above is Samim reading to an elementary student at Dr. Donald Massey. Reading to the younger students within the community is a great way to stretch your leadership skills. September has a whole week to creating relationships with younger people through reading and interacting.

Having consistent attendance is very important here at M.E. LaZerte. Students with perfect attendance are rewarded by Londonderry mall with gift certificates for their great efforts. Vanessa Han pictured above was one of the lucky winners due to having excellent attendance. Top middle, Alex L. helps with exciting the crowds of grade 10's on their first day.

Mohamed Awada pictured above, not to be confused with the other Mohamed Awada was one of the Grade 10's enthusiastic about starting his high school journey.

september

September is the month where a new history is written. The new grade 10 class was warmly welcomed into our school by our wonderful mentor team. With their own personal day of learning experience, their nerves soon turned to excitement for their

high school career. With the tours of M.E and more than enough activities to put a grin on anyone's face, our plentiful school no longer seemed so daunting. The school was abuzz with the new grade 10's energy for everyone's first day back.

Andrea B. excited to welcome all the grade 10's into our school.

terry fox run

The yearly Terry Fox run in September is one of the first school wide events of the year. The mass of our student body all shows support for this great cause. Running or walking, we all feel better after doing the Terry Fox run and supporting the people around us. After three years of construction, our school finally has a beautiful garden and crest to show off our Voyageur pride.

Asya E. going for an afternoon jog.

Rebecca B. enjoying her run.

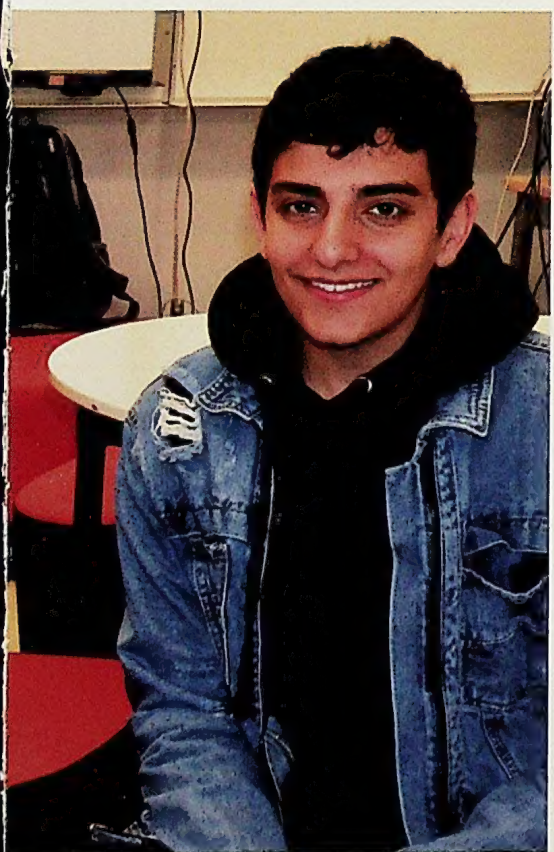

Some students chose walking instead of running for Terry Fox run.

october

October is a month of growing, as the seasons begin to change, so do we. With school now in full swing, we look forward to the small things that happen around the school, like Halloween, sporting events, and all

things in between. In *above right*, is our very own Veronica G. who runs our school's Circle of Courage is always there with her students, as seen here. In *the center*, is J.D and Lita working hard in Spanish.

Harsh B., Manna M. and Steven T. pictured above are the perfect attendance winners for the month of October. These dedicated students each received their \$25 gift certificate

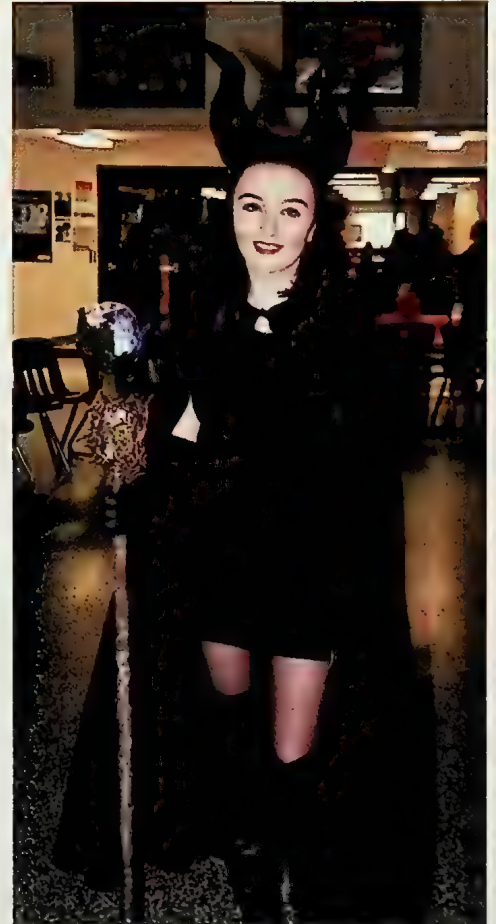

prizes. Above left, Mr. Hess teaching our wonderful food students. Above right, Cindy K. enjoying her time playing volleyball.

Jenan E. and Braeden K. enjoying a MEL time session.

halloween

Students, as well as staff, enjoyed dressing up this Halloween. Taking pride in celebrating this year like no other, taking part in dressing up in all sorts of costumes as well as other fun festivities that occurred throughout the week. Above Logan P. dressed up as the king of hearts with his queen Shataya M. Top: Our "prized" teachers dressed up as trophies.

Nikita C. as Malificent.

Left: Madison D and I From left to right: Nathan H. and Ernie C. as pirates, Essa E as a nerd and Pietra B. as Frida.

Seeing double? You're probably right! With Mr. Minhas on left and Jannah Z on the right. Perhaps it's the other way around.

november

Welcome to November, hope everyone had an amazing fall break, allowing you to feel energized to finish off the semester strong! On this page we have some amazing events in the school ranging from IB squad to career day. Career day is

an amazing opportunity to explore what you want to do for your career. Career day offers various sessions and courses so you can truly see what those careers are. What do you want to do for your career?

december

December is a busy month. While we are all preparing for the winter break, as well as attending what seems to be endless classes, LaZerte holds many events and activities many of us were eager to get involved with. Such as our winter dance showcase, the community Christmas party, and many other events within our community.

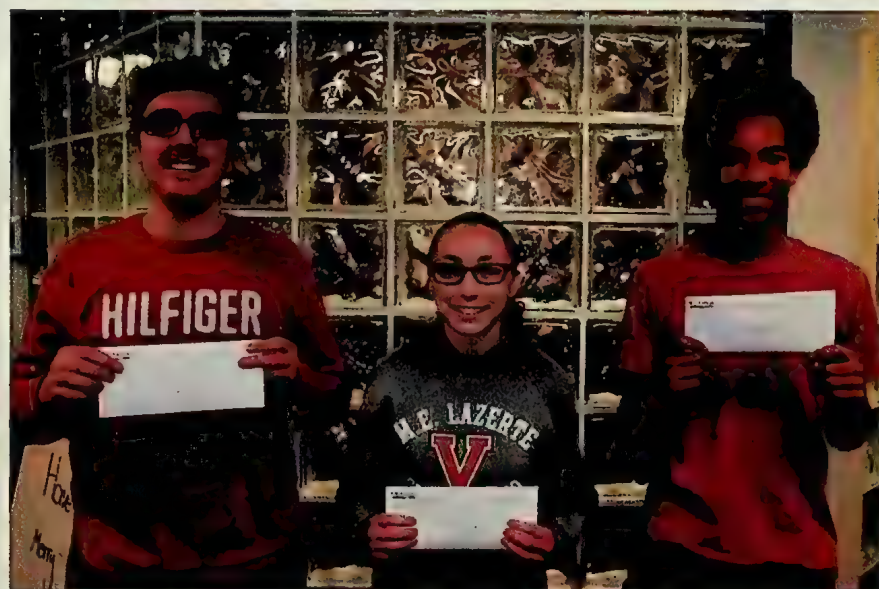

E.L.L. students having their first meeting with Mr. and Mrs. Clause.

Kurtis P. and Mohamed A.

Brittany U. along with Raymond S. and Hussien A. won the December perfect attendance awards. *Top right* shows Niilo D. along with two other cast members putting their best preformers foot forward in the Drama 10 production, *Stocking Stuffers*.

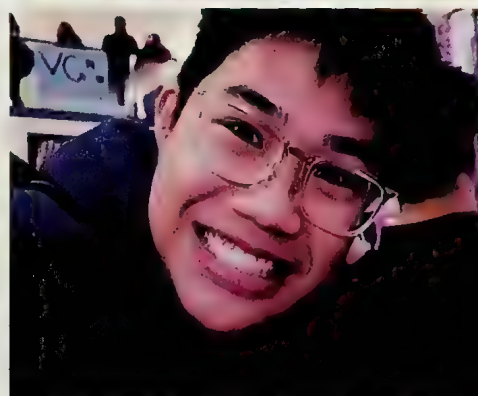

Cindy and Saudy V. pose for spectacular

One of the few times any of us here truly get to look our best, LaZerte's Festive Formal is an event that holds many memories. From the usual couple, to the bestest of friends, everyone was taking and sharing pictures. No way will we ever forget these moments of music, food, friends, or the good times in between. This was our goodbye to LaZerte for the next

two weeks as we all got together with family and friends over the holidays. There wasn't a place in the school where you could walk without seeing someone capture the moment.

festive formal

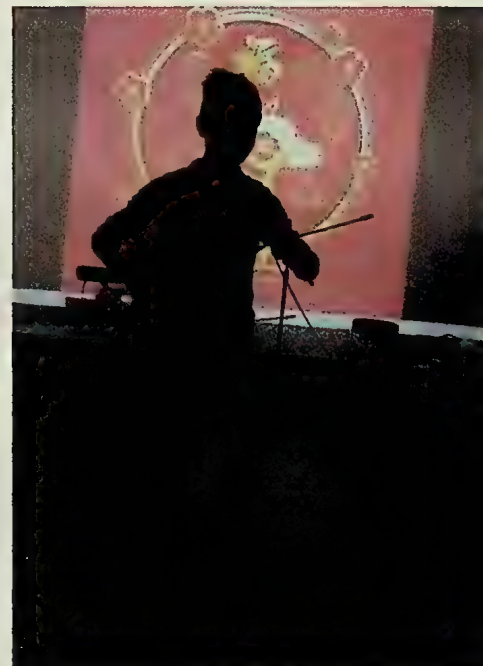

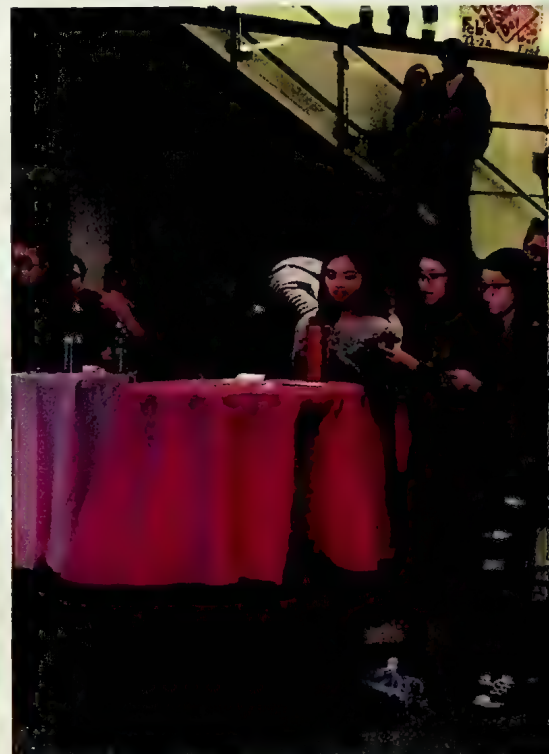

Paige Plontinkoff is showing her dough and making money.

january

Welcome back! Hope you had a wonderful winter break, and you're enjoying the new year. Which, for the average student means new stress and worries. Those exams and homework pages that we had avoided for the last two weeks finally caught up and we were never prepared. But even with final exams quickly approaching, it was rare to never see something fun going on in the school!

Phys Ed 20/30 students are spending their time in the Londonderry Centre playing hockey and practicing their skating. The 20/30 class are enjoying their time inside, instead of sitting outside in the snow.

February consists of community and culture. It of course, is also very pink. So many of our students put on the pink at this time to support anti-bullying campaigns. Never has the school ever look so bright and colourful and full of absolute positivity. We show a little love to the people in our school by celebrating the fact that each one of us matters.

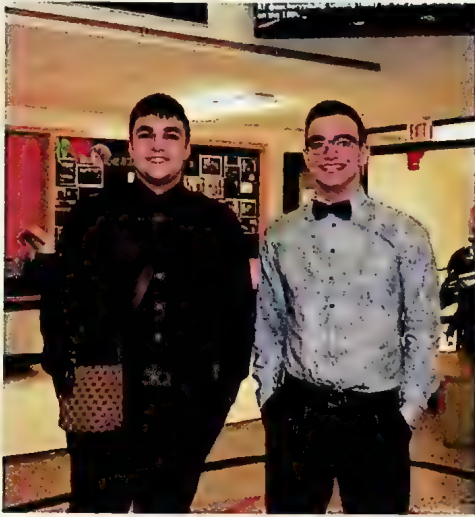

february

"After David and Travis' act of kindness in 2007, pink shirt day was inspired to help other youth affected by bullying, with many staff members wearing pink shirts and collecting funds to support Boys and Girls Clubs. Since then, the idea has only grown each year, with worldwide support and participation. Countries across the globe are now organizing anti-bullying fundraisers of their own."

touch of class

March is finally here! Meaning the weather is getting warmer, while the talent here at LaZerte keeps getting cooler. To shake away those winter blues students choose to join sports teams while others head to the dance studio for some extra movement in their lives. Whatever it may be us Voyageurs never disappoint allowing the creativity to flow.

LaZerte's football team showing Voyageur spirit at our open house - demonstrating what it really means to inspire passion, develop character and change lives! #TrueVoyageur

march

An art student using her talent to create a masterpiece.

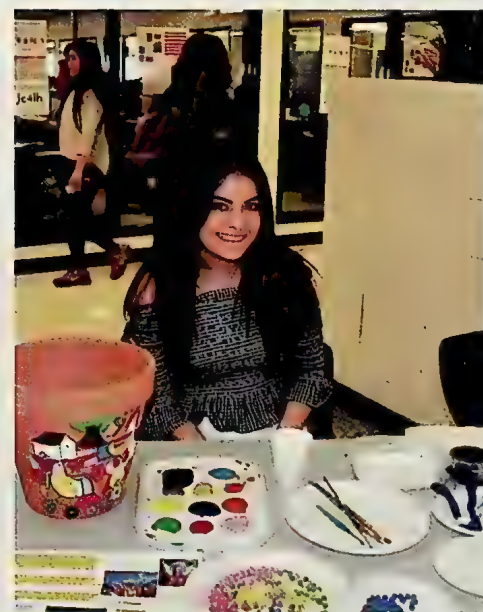

"All you need to paint is a few tools, a little instruction, and a vision in your mind."

-Bob Ross

Here we have Taylor Lanigan looking happy as always at M.E. LaZerte's open house welcoming our future Voyageurs!

It's that time of year again where we all feel alive. Spring is here and each of us got a little bit of it in our step as we walk down the halls. With spring showers comes the looming reminder of finals. As we start to study harder and get more involved, the air in the school shifts. Taste of LaZerte is just a few days away.

april

Here it is! The one day of the year that many of us are sitting on the edge of our chairs for. Somehow, the air always seems different on the day. Taste of LaZerte is just one of the many times the school celebrates our amazing diversity and cultures. Do you care for the great food served by our many different countries? Or perhaps you have been waiting for the fantastic performances that each of our dance groups put on? No

matter what your preference is, Taste of LaZerte has something to offer for everyone. How could someone ever be able to say no to such an outstanding and inclusive cultural fair?

scotland trip

The school trip of 2018 to Scotland began with a very tiring and exhausting plane ride to Glasgow, and a lovely bus tour throughout the city and ended with a much needed hotel bed. With functioning minds again we set off to Loch Lomond the following day. With such a peaceful and serene village right on the edge of the lake, and some wonderful time to explore and see new sights; who wasn't happy? Our journey proceeded to another village known as Fort Augustus which we scurried through; in the downpour widely known and stereotyped as "British Weather." That evening we stayed at the Loch Ness Lodge which in turn was a very nice hotel. Day three started with a unplanned stop at a lovely town known as Pitlochry where we were aloud to explore for

a short while before taking off again, although this time to our first castle. Stirling Castle offered some amazing sights and experiences, we explored for quite a while before eventually leaving, and continuing on to our restaurant and hotel. Edinburgh was the star experience of our fourth day... A sprawling city of stores and restaurants provided hours upon hours of entertainment and wonder. The castle of Edinburgh sat high on the cliffside overlooking the entirety of the city, filled with museums and exhibits to see. More of Edinburgh for our final day in a British paradise alongside a wonderful hike nearing the end of our day. An early wake began our adventure back home... With some extensive plane rides and transfers, we were home.

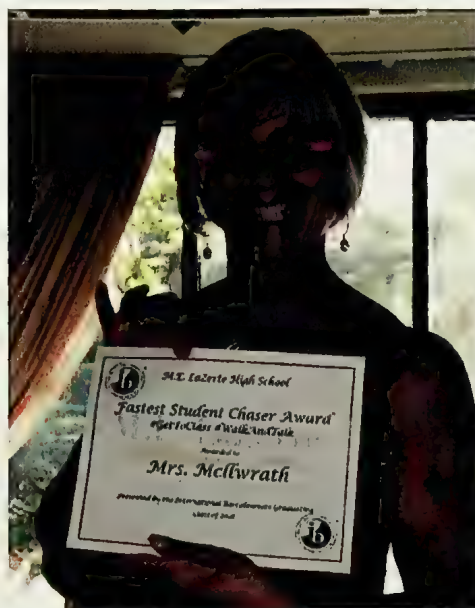

camping trip

Well, that is it. The school year is ending and there is nothing more to do. Except for the dance showcase, a major drama production, exams, and graduation for all the grade 12 students. Summer may be in arms reach, but the school year isn't over yet! Those vacation plans will have to go on hold for just a bit longer because June is one of the busiest months of the year. All the grade 10's have finished their first year of high school, and the oldest of us students are moving onto University and new adventures.

The 2017 Lazerte swim team started off as a group consisting of six timers and fifty-eight swimmers, easily making swim team one of the biggest teams at M.E. Lazerte. The swimming ability of the team varied from individuals who have never swam before to veteran club swimmers.

"If you want to be the best, you have to do things that other people aren't willing to do." - Michael Phelps.

With the help of ten amazing coaches, endless 7 am. practices, unrelenting determination of each swimmer, and the constant support given by the team, Lazerte swim team earned two golds, 11 silvers, and 19 bronze medals, placing second in division one of cities.

Over the course of four months, the team grew closer through the grueling morning and afternoon practices, and more importantly, the love of the sport.

2018 Badminton Year to REMEMBER FOREVER!!!

Tier 1 Metro Champions - first ever title

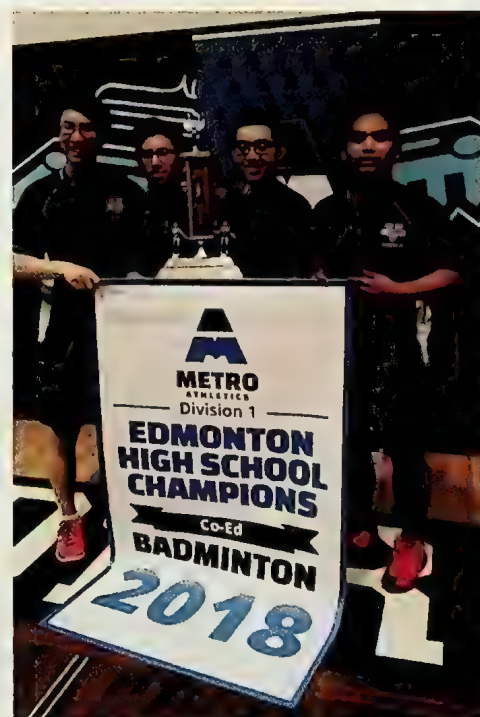

9 athletes qualified for provincials - most ever

3 Gold medals at provincials - most ever

2 Top 8 finishes at provincials

What a great year for the LaZerte Badminton team. They won the Tier 1 Championship title this year in dramatic fashion. In the semi finals LaZerte was the #4 ranked team and we defeated the #1 ranked team Harry Ainlay 3-2. It was incredibly close with many of the matches going 3 games but we came out on top! In the finals we played #2 ranked Ross Sheppard and once again we won 3-2. It came down to mixed as the last event and we won 21-19 in a 3rd game! This is the first time ever that we have won the Tier 1 Team City Championship and its a huge accomplishment to be the best team in the city! In the past 10 years the best finish we have had has been

4th/5th in a very competitive Tier 1 division. Mr. MacAlpine had to buy the team blizzards! Great job team. At provincials we had 9 athletes qualify and it was once again another banner year where they had 3 GOLD MEDALS and 2 top 8 finishes. Highlight: Raphael Motel Gold Intermediate Boys Singles Jakob Lau and Tyson Tsen Gold Intermediate Boys Doubles Jefferson Fong and Vina Tse Gold Junior Mixed Doubles Steven Rosinski and Shirley Ma Top 8 in the province in Intermediate Mixed Doubles Guerin Tran and Lindsey Gray Top 8 in the province in Senior Mixed Doubles

2018 yearbook team

I'm thankful to have gotten the chance to design our yearbooks my 3 years at M. E. LaZerte. Being part of clubs and sports teams greatly improved my high school experience, despite it being nothing like I expected.

To everyone I met, I'm so glad we got the chance to grow with each other during these crucial years of our lives. To everyone who still has some time left in high school, enjoy every second you have left because everything will pass by so quickly.

Congratulations to all my fellow graduates! I can't wait to see what we all pursue with our new freedom and responsibility.

-Amber Wardrop

Thank you for the opportunity to aide in the creation of this yearbook. In my two years at LaZerte I've always been surrounded by amazing people that have allowed me to grow as a person. I'm grateful to have been apart many clubs and sports teams.

To everyone that graduated this year I hope you all do wonderful things with your lives and discover what makes you happiest!

For everyone that will graduate in the upcoming years enjoy what's happening in the now, don't forget to live in the moment. High school will pass by so quickly, personally I never thought I'd get here, to my grade 11 year sitting down and writing this super sappy piece of text. Yet here we are!

- Pietra Banks
